

# COMPLEMENT YOUR NUTRITION

**ISAGENIX GREENS™** is the tasty, convenient way to complement your daily intake of whole fruits and vegetables.

## WHY YOU NEED GREENS:

### WHAT IS GREENS

A delicious, phytonutrient drink powder made from a proprietary blend of more than 30 premium vegetables, herbs and botanicals.

### HOW IT WORKS:

Greens contains more than 30 natural ingredients from vegetables, herbs and botanicals to provide a broad variety of phytonutrients and antioxidants to support overall health and well-being. Each serving of Greens contains only and 1 gram of sugar.

### COMBATING THE AVERAGE DIET

Most people do not consume the daily recommended intake of colourful fruits and vegetables. Greens is a quick, easy and delicious way to get more nutrition and complement a healthy diet of whole fruits and vegetables.

**For more information, please contact your Isagenix Independent Associate:**
